Re: United States v. Jack Wright
13 Cr. 279 (DLC)

Dear Judge Cote:

I write on consent (Assistant United States Attorney Micah Smith and Pretrial Services Officer Jason Lerman) to respectfully request that the Court modify the conditions of Mr. Wright's release; specifically, that the Court extend Mr. Wright's curfew on October 19, 2013 from 7:00 p.m. to 11:00 p.m. to allow Mr. Wright and his family to attend an annual memorial dinner for his grandmother, which will be held at his aunt's home in the Bronx. Mr. Wright's conditions of release include a curfew enforced by electronic monitoring. He has been fully compliant with all the terms of his release.

I apologize for the short notice of this request. Mr. Wright had contacted me last week, but I was out of the office through October 16. It then took an additional day to get approval from Pretrial Services because I had contacted the wrong officer (Mr. Wright had previously been supervised by John Moscato, but is now being supervised by Jason Lerman).

Thank you very much for your consideration of this request.

Respectfully Submitted,

Martin S. Cohen
